

Silent Auction Services Summer 2011

Dear Friends & Supporters of SAS,

We wrapped up the Spring Gala season with silent auctions for two great organizations: Justice For Children and Eye Care for Kids. Now we, and I hope you too, can take a few days to catch our breath and reflect on life's blessings.

Our clients have been generous in sharing ideas about how to make our service better. As a result there are several new initiatives we are launching in the next couple of months. We're excited and we think you will be too. Stay tuned.

The dinner at the River Oaks Country Club was wonderful and the silent auction had many different items from kids artwork to wonderful trips. Plus, the Nehemiah singers and dancers were a huge hit!

Tired of 'Left Behind' Items Not Getting Delivered?

Silent Auction Services has partnered with Hot Shot Delivery to get your silent auction "left behind" items to your guests quickly and painlessly.

How It Works:

- At the end of the evening you take the left behind items to your office or other location. The next day, you determine which items you want delivered and which ones you don't.
 - SAS will then arrange for Hot Shot to pick up the items from you and get them to the guests.
- *Silent Auction Services will include delivery charges for those items/guests in its credit card processing.*

It's as easy as that! Your post event stress can be over with this one simple service.
